‘Activities carried out under CSR initiatives’

CSR focus areas: Health, Education, Employability, and Environmental Protection.

Vocational skill training and career guidance programmes to youths in and around Belagavi region.

Through Rotary Club of Belgaum South Foundation, Belagavi

- The Company recognises that skill development and career guidance are key enablers of youth empowerment and sustainable livelihoods. As part of its CSR initiatives, the Company undertakes vocational training programmes designed to equip young people, particularly from underprivileged and marginalised communities, with employable skills and industry-relevant knowledge.
- These programmes cover training in various trades, conducted in partnership with skill development institutions and NGOs.
- The training focuses on practical, hands-on learning aligned with market demand, thereby enhancing the employability of participants and enabling access to sustainable livelihood opportunities

LIFE SKILL AND SUSTAINABLE DEVELOPMENT PROGRAMMES

Vocational Skill Training Women at

Tirthkunde village, Khanapur, Belagavi

- ❖ The initiative aims to empower women through vocational training and promote early childhood education and after-school support for children.
- ❖ The project envisions creating a sustainable model of community development through education, livelihood generation, and social inclusion.

Life Skill and Sustainable Development Programmes

School Essentials Distribution Drive

Purpose:

- To provide school-going children with basic learning tools and support their academic journey. Many children in rural areas face challenges in accessing even the most essential educational materials.

This activity was aimed at:

- Promoting education and reducing dropout rates
- Encouraging students to attend school with enthusiasm
- Providing computer set and printer, School Bags, Stationery, T-Shirt & Suits to Govt. Schools

- Higher Primary School, Bijagarni K.
Belagavi,KA

Sanitation Infrastructure and drinking water facility at Schools

As part of our Corporate Social Responsibility commitment, we undertook a project to construct and renovate toilet facilities and provide drinking water facility.

The initiative addresses a basic but critical gap in rural school infrastructure — access to safe, functional, and hygienic sanitation for students.

- Construct new toilet blocks in identified government schools at nearby villages.
- Ensure separate, functional toilets for boys and girls
- Provide adequate water supply and handwashing stations
- Promote hygiene awareness among students and staff
- Support the broader goal of reducing school dropouts, especially among girl students
- Local contractors and labour to engage where possible to support the local economy

‘Contribution toward Swachh Bharat and Swachh Vidyalaya national sanitation goals’

Constructed the Toilets within the School premises to improve hygiene and promote a safe and healthy environment for students at :

- Higher Primary Marathi School – Navage village, Belagavi
- Pant Balekundri School [through Rotary Club of Belgaum South Foundation,KA]

Providing drinking water facility at Govt. School – Ningyanahatti, Belagavi

As part of our commitment to holistic child development and community engagement, we organized a ***‘Balsanskar Shibeer***(Children's Values Camp)’ *for underprivileged children Through ROTARY Club of Belgaum South Foundation* for school-going children in villages. The camp aimed to nurture moral values, cultural awareness, and life skills among young students, complementing their formal academic education.

Objectives :

- Instill core values such as honesty, respect, discipline, and compassion in children
- Build life skills like teamwork, communication, and self-confidence
- Encourage healthy habits, hygiene, and environmental consciousness

Poverty & hunger eradication

Through **Vimukti Trust**, Bangalore KA

Environment protection & sustainability

Tree plantations and conservation of drinking water projects, through AYU Foundation Belgaum KA, in Belagavi region.

Conducted Health Check up and free medicines for villagers near Ramnagar, Belagavi through **EKAL ABHIYAN**, Belgaum

International Women's Day Celebration at Tirthkunde Village, Belagavi

In association with The Women's Welfare Society (WWS), Belagavi. Various fun and engaging competitions were conducted for women like Rangoli competition, Lemon and Spoon Race, Blindfold Game, and Musical Chairs etc.

Associated with Tej Gyan Foundation

Company promotes health consciousness to members of the local community. Through these initiatives, the Company aims to build a healthier, more mindful, and resilient community — recognising that sustainable development is incomplete without the physical and mental well-being of the people it touches.
